*Musette and folklore from Auvergne  
for your wedding with Jeremy Duo Band*

Your wine of honor and the pre-dinner dance to the sound of the accordion!

Your wedding must be thought for all ages and tastes!

How about offering your guests a young accordion prodigy live so that they can enjoy a magical sounding instrument as soon as the wine of honor is served. You will appreciate this moment of human contact that the wine of honor represents to the rhythm of the Auvergne folklore inscribed in the History of Château de Vixouze.

Then offer your guests, at the beginning of the evening, an original musical dessert, a parenthesis with more contemporary melodies if you wish.

*NB: This service can also be considered for the Sunday brunch, "guinguette" style.*
